

# One small step toward a brighter future

for the Rehabilitation Center at Hadassah Hospital Mount Scopus

The goal will be to fund a new Rehabilitation Center:

- for IDF Disabled Soldiers and Veterans with spinal cord and multiple traumas.
- which will provide more services overall at the aging Mount Scopus Campus of Hadassah Medical Center:

- which will incorporate treatments with advanced technology and equipment and long term follow up.

Architectural model of the new Rehabilitation Center:

How:

For taking part in the “new step – leave your mark” donation possibility, please contact the Hadassah International Israel Office at [hiioffice@hadassah.org](mailto:hiioffice@hadassah.org) or + 972 2 6779406.

**Or [DONATE directly online NOW – thank you!](#)**
