

Dear Friends,

Hadassah International announces the departure of Meir Mark who has served as the Director of Hadassah International Israel for the past 4 years.

During his tenure, Meir has successfully established the Board of Trustees of Hadassah International Israel and worked closely with Dalia Itzik, former Speaker of the Knesset, as its Chair.

Meir successfully reached out to the Israeli community in support of the Hadassah Medical Organization through Gala events mounted by Hadassah International Israel. The most recent raised a total of six million Shekels which brings the total raised over 4 years to 15 million Shekels.

On behalf of Hadassah International, we extend warmest wishes to Meir in his future endeavors.

Sincerely,

Audrey Shimron
